

**Direct Doctors Patient Agreement – Gynecology Care Addendum for CONSULTATION
with Erin Kunkel MD**

For those who are electing to include Gynecology Care, the patient agreement is amended as follows:

Fees:

- (1) Consultation Fee: Patient agrees to pay Direct Doctors, Inc. a one-time payment of \$400 for a first-time visit consultation fee for new patients of Dr. Erin Kunkel, due prior to scheduling.

- (2) Membership Fee: If patient chooses to join for ongoing gynecologic membership care after consultation with Dr. Kunkel, patient agrees to pay Direct Doctors, Inc. a monthly membership fee as follows:
 - (a) \$125/mo for a patient who is not a primary care member at Direct Doctors Inc.
 - (b) \$100/mo for a patient who is a primary care member at Direct Doctors Inc.

Patient understands that if they have not already joined as a primary care member of Direct Doctors, Inc. and would like to, that they will have to follow the current availability for new patients as delineated on the website which may include a waiting list of unspecified timeline.

Initial Consult:

For patients who are new to Dr. Kunkel or who are uncertain about joining for gynecologic membership, an initial consultation will happen first.

This visit will **include** the following services:

- Discussion of full patient medical history, patient goals for care, and hopes from membership in Dr. Kunkel's practice
- Detailed review of Dr. Kunkel's practice offerings and the ways in which it might address patient's unique needs

This visit will have the following **limitations**:

- No physical exam or procedures will be completed at this visit unless patient decides to enroll in gynecologic membership
- No treatment plans or prescriptions will be provided at this visit unless patient decides to enroll in the membership

By entering your name to e-sign online you are acknowledging your agreement to and understanding of this online addendum.
